

ENVIRONMENTAL POLICY

Policy Statement

Global Public Safety Pty Ltd is committed to reduce the impact of its operations on the environment through our in-house initiative.

Our Goals

Our goals are to promote sustainability and environmental awareness at all levels of our organisation by:

- Complying with relevant environmental legislation and sustainability commitments
- Measuring and analysing the carbon footprint of our business activities in conjunction with other climate change mitigation and adaptation efforts
- Preventing pollution and reducing consumption of resources through waste management strategies that promote relevant waste minimisation re-use, recovery and recycling
- Incorporating energy efficiency measures into our facilities and promoting efficient energy use in all areas of GPS activity
- Promoting and continuing to invest in technologies that provide alternatives to business travel
- Adopt a procurement programme that takes into account the environmental impact of products and services and supports the purchase of energy-efficient products
- Ensure our staff are aware of the environmental impacts of their work activities and encourage them through regular awareness and training to minimise those impacts
- Promoting the protection and enhancement of biodiversity and ecosystems through employee awareness programs and stakeholder engagement
- Pursuing a programme of continuous improvement by reviewing our environmental objectives and targets, policies and practices

Application of this Policy

We seek the co-operation of all workers, customers/clients and other persons. We encourage suggestions for realising our environmental objectives. This policy applies to all business operations and functions.
